

2024 Program Planning Survey

Page description:

The program planning process happens in the fall prior to an LWV Convention. The purpose of the survey is for local and state Leagues to recommend the programmatic focus for all levels of the League for the upcoming biennium. The survey also provides an opportunity for Leagues to identify other program items for the Board of Directors to consider. All surveys are due by Friday, March 10, 2024, and only complete surveys will be used to summarize the program planning survey results.

To see the full survey, you may consult the [Leaders Guide](#) and for questions about the survey or the program planning process, you may email progplan@lww.org.

Please fill out the survey form with your League's responses to the 2024 - 2026 Program Planning Survey. There is immense value in sharing your League's information among all Leagues for the community conversation leading up to Convention.
